

R The Whole Tooth

from Behind the **Big Red Door**...

DECEMBER 2024

wrexhamdentist.co.uk

2024 Wrapped up

What an incredible end to the year we have had. Since our last newsletter we have become an award-winning practice, scooping **BEST IN PATIENT CARE** at the Dentistry Awards, received the Highly Commended prize for **TEAM OF THE YEAR** at the Private Dentistry Awards and extended our practice to add state-of-the art **SURGERY NUMBER 10**. We couldn't have achieved any of this without the support of our valued patients. Thank you for being such an important part of our success.

In the Spotlight

Aimee joined the Ruabon Road family in 2009 as a trainee dental nurse. She subsequently qualified in radiography, special care nursing, oral health education, impression taking and education & training before becoming a full-time student at Bangor University, graduating as a Dental Hygienist this year. "The thing I love most about working here is that everyone encourages each other. I was supported 10 years ago as a trainee and have been welcomed back with open arms as a Hygienist".

Book an appointment with Aimee or any of our Hygiene and Therapy team for professional stain removal, a polished brighter smile and fresher breath so you sparkle and shine under the mistletoe this Christmas.

Holiday Season Hours

December

24th 8.30am - 5pm

25th CLOSED

26th CLOSED

27th 8.30am - 4pm

31st 8.30am - 5pm

January

1st CLOSED

2nd 8.30am - 5pm

invisalign Go

Our Invisalign Digital Smile weekend was a great success. More than half of the attendees have already started their Invisalign journey towards their dream smile.

Snowball effect

We know how busy parents are and how easy it is to forget a child's check-up. But one missed check-up has a snowball effect. **Last month 87 children were not brought to their appointments at Ruabon Road.** That's 24 hours of empty chair time where people in need could have been treated and 24 hours less a month for our dentists to treat the number of patients agreed in their NHS contract, meaning they may have to reduce their NHS patient list next year; a much bigger snowball.
